

# CODY LED PICTURE LIGHT

**Cody 6** provides uniform illumination to frames from 8" W x 10" H to 24" W x 18" H (photometrics on next page)

**Cody 12** provides uniform illumination to frames from 24" W x 32" H to 32" W x 32" H (photometrics on next page)

## Description

For contemporary or traditional frames, the simple elegant CODY is a low profile LED picture light producing uniform, efficient illumination without UV, IR, or the use of mercury. The high CRI, 3000K warm-white color light that it produces easily replaces high wattage and high heat T-type incandescent or halogen MR16 lamps. The CODY includes a 12 volt AC transformer and dims with a standard low voltage dimmer. Efficient solid state LED's provide 20 years of efficient light operating at 6 hours per day, reducing the cost of ownership. Cody fixture comes with a 3 year warranty.

## Finish

Satin Nickel, Antique Bronze, Satin Brass, Antique Brass or Black  
Custom finishes also available

## Mounting

Easily mounts to wood frame, metal frame or wall. Canopy version mounts to standard rectangle or round junction box with transformer tuck inside. 120-12V volt plug-in version comes with 10 ft long cord and transformer. Adjustable mounting bracket for frames up to 50 lbs is provided.
