

Sloped Ceiling Standoffs

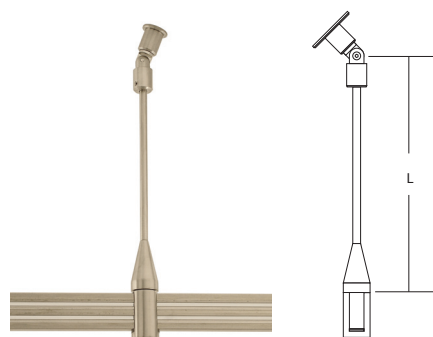

Adjustable standoffs for sloped ceilings feature a cable drop for a clean and minimal look. 12' field cuttable length is adjustable with integral wire grip. Use a standoff every 3' of rail with straight runs, circles and at each corner of a square. For best appearance, place a standoff at every point where two pieces of Monorail 2-Circuit join together. Recommended to us field cuttable rigid power feed to prevent any swaying. Satin Nickel, polished nickel and antique bronze finish.

Must be used with Edge Lighting Monorail 2-Circuit Slope Ceiling Power Feed Rigid Connectors.

Weight:

.25 lb (.11 kg)

System	Length	Finish
M2S	SLA	SN
M2S Monorail 2-Circuit Standoff	SLA 144" (12')(3.6M) Adjustable	SN Satin Nickel PN Polished Nickel BZ Antique Bronze

Sloped Ceiling Standoffs
