

CIRRUS MIYO Y, WITH LIT CORNERS

24VDC LED MAKE-IT-YOUR-OWN SUSPENSION, TUNABLE WHITE

DESIGNED BY GREGORY KAY | ASSEMBLED IN AMERICA

REV 03.22.22

DESCRIPTION

LED Suspension in Tunable White joins a trio of clean linear channels to create a minimalist geometric form with so many standard yet customized options. The diffused white 100° lens is offered in Standard or High Efficiency. Dynamic Tunable White 2000K-6500K (**2K6K**) or 2700K-6500K (**27K6**) grants independent control and adjustment of color temperature and intensity from 2000K (Sunset) through 6500K (Day Light White). **2K6K** is ideal for residential spaces including, dining rooms, bedrooms, living spaces, and bathrooms by allowing the user to achieve a warm glow during the golden hours of the early mornings and evenings. For commercial environments, **27K6** promotes focus and alertness which is ideal for offices, healthcare and education, while still achieving warmer color temperatures best for hospitality and retail environments. Human-Centric lighting, or tunable white, promotes performance, mood, and overall well-being by fine-tuning the emotional effects that light has on the circadian cycle. Requires two dimmers or, use our proprietary Tunable White Controller (**CDMX1**) for fast and accurate adjustment and three pre-set scenes (Ordered separately). Our MIYO family of fixtures and systems allow you to become the Lighting Designer; offered in multiple finishes and diameters from 17" to 194", and up to 95+ CRI rendering colors in their truest forms. The Cirrus MIYO Triangle gives you the ability to design the perfect fixture for any space. Order **CSD_P** with power supplies included in the Canopy or **CSD_R** with remote power supplies sold separately. Fixture includes a 5 year pro-rated warranty. For custom designs and layout assistance, email our design team design@PureEdgeLighting.com.

FINISHES

Satin Black **BK** Antique Bronze **BZ** Chrome **CH** Satin Nickel **SN** White **WH** Satin Brass with Black Canopy **BB** Satin Brass with White Canopy **BW**

LENS

- Diffused White Standard or High Efficiency Lens with 100° beam spread
- Optional Black or White Louver, call for quote

LAMP

- Tunable White: 2000K-6500K (**2K6K**) or 2700K-6500K (**27K6**) grants independent control for adjusting color temperature and intensity
- Power Consumed: 5 watts, 7 watts or 10 watts per foot
- 50,000 Hour Lamp Life

REMOTE POWER SUPPLIES, DIMMERS & CONTROLS (SOLD SEPARATELY)*

24VDC, Class 2 wiring

- **0-10V:** Requires two dimmers, one for intensity and one for kelvin color temperature
- **DMX Dynamic Color Changing:** Must be used with PureEdge [Controllers](#)

*In-Wall Mounting Kits available for select power supplies

**Tunable White - Requires two 0-10 dimmers, one for each kelvin diode or, use our proprietary Tunable White Controller CDMX-1

APPLICATIONS

Designed for Indoor Use Only. Ideal Applications include commercial, architectural, retail and residential spaces including offices, conference rooms, entrance halls, lobbies, Kitchens, Dining Rooms and more.

APPROVALS

Class 2 Wiring up to 100 watts, Damp Location, Title 24 JA8 listed for 2700K CCT and above when used with PureEdge remote Universal power supplies, Made in America.
