

Description:

Nova can be seamlessly integrated into Edge Lighting Monorail 2-Circuit systems. The fixture may be mounted to ceiling rails at a 90 degree angle with use of an included ceiling anchor. Nova Up/Down is a linear LED lighting fixture that features direct and indirect flat, milky white (no LED spots) lens and an optional louver for the direct lens. At 15 watts per foot, the 12VAC fixtures contain very warm white or warm white 92+CRI LEDs. Fixture lengths are available from 12 to 120 inches. May be ordered in 3, 6 or 9 inch increments. Includes corresponding mounting hardware. Fixture features adjustable 12 foot cables for flexibility when mounting to the rail. Fixture includes 5 year warranty. For custom designs and quotes, send drawings to design@PureEdgeLighting.com.
