

Description:

Nova can be seamlessly integrated into Edge Lighting Monorail systems. The fixture may be mounted to ceiling rails at a 90 degree angle with use of an included ceiling anchor. Nova is a linear LED lighting fixture that features a direct milky white (no LED spots) lens and an optional louver. At 7.5 watts per foot, the 12VAC fixture contains very warm white or warm white 92+CRI LEDs. Fixture lengths are available from 12 to 120 inches. May be ordered in 3, 6 or 9 inch increments. Includes corresponding mounting hardware. Fixture features adjustable 12 foot cables for flexibility when mounting to the rail or ceiling. Fixture includes 5 year warranty. For custom designs and quotes, send drawings to design@PureEdgeLighting.com.

System Compatibility:

Monorail

Applications:

Indoor - conference rooms, kitchens, dining rooms, architectural lighting, general lighting and retail

Lamp: 50,000 Hour Lamp Life

Version	Watts per Foot	Lumens per Watt	Lumens per Foot	92CRI 27K, 30K
7W	7.5	34	255	●

Lumen values are based on the 3000K LED test without louver.
