

# ROCKY CEILING - INDOOR / OUTDOOR

**Description:**

Rocky is a ceiling mount accent and general downlight, featuring high temperature silicone o-rings that create a watertight seal. Machined from marine grade 316 stainless steel or 6061 aluminum brushed to a satin finish. Rocky Ceiling is available in Low Voltage (H1) and Line Voltage (H2) halogen versions. A removable, lockable shield with fasteners retains a glass lens and a louver accessory. It is rated for indoor, outdoor, and wet locations.

**Finish:**

H1: Brushed Stainless Steel  
 H2: Satin Aluminum

**Lamp Specification:**

**Halogen (H1)**

Lamp Included; 20 Watt MR16 GU5.3 base

**Halogen (H2)**

Lamp Included; 35 Watt Line Voltage MR16 (PAR16) GU10 base

**Total Wattage:**

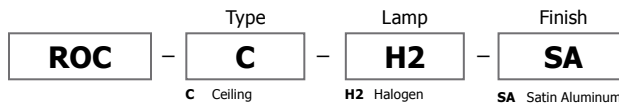

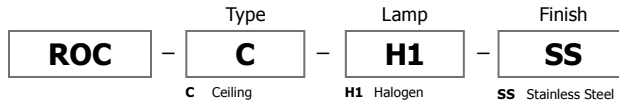

H1 20W - 12V  
 H2 35W - 120V

**Dimming Information:**

H1 Low Voltage Electronic  
 H2 Incandescent

**Weight:**

2 lbs (0.9 kg)
