

STRATUS

LED LINEAR WALL GRAZER

DESIGNED BY GREGORY KAY | ASSEMBLED IN AMERICA

REV 04.09.19

DESCRIPTION

LEDs are field replaceable. Fixture is Non-IC rated. Suitable for new residential, new commercial, and remodel. Lights textured walls up to 30' high. Mounts flush to ceilings or recessed within a pocket cove for the most dramatic effect. Link multiple Stratus fixtures to create long runs. Includes one internal LED Power Supply per unit. (0-10V for WW and CW; DMX for RGB). Feed fixture with 120V-240V. Coordinate installation with electrician and drywall contractors.

APPLICATIONS

Indoor or Outdoor under Awning. Wall Grazer, General Lighting, and Retail applications

LAMP

Lumen values are based on the Warm White 3000K test.

VERSION	WATTS PER FOOT	LUMENS PER FOOT	90+ CRI	RGB
3000K WARM WHITE	15WDC	56	670	•
4200K COOL WHITE	15WDC	67	804	•
RED, GREEN, AND BLUE	15WDC	N/A	N/A	•

INCLUDED COMPONENTS

Wall Mounting Bracket, Housing, Joiner Bracket, Reflector, LED Panel, Power Supply, and Louver

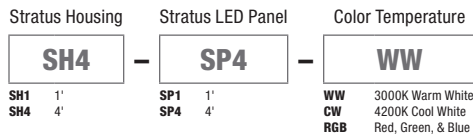

DIMMING & CONTROLS

Dimmable Power Supply included (0-10V) for WW and CW; (DMX) for RGB. Controllers sold separately

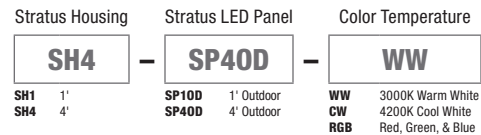

ACCESSORIES

End Caps

INDOOR 120V-277V STANDARD POWER SUPPLY

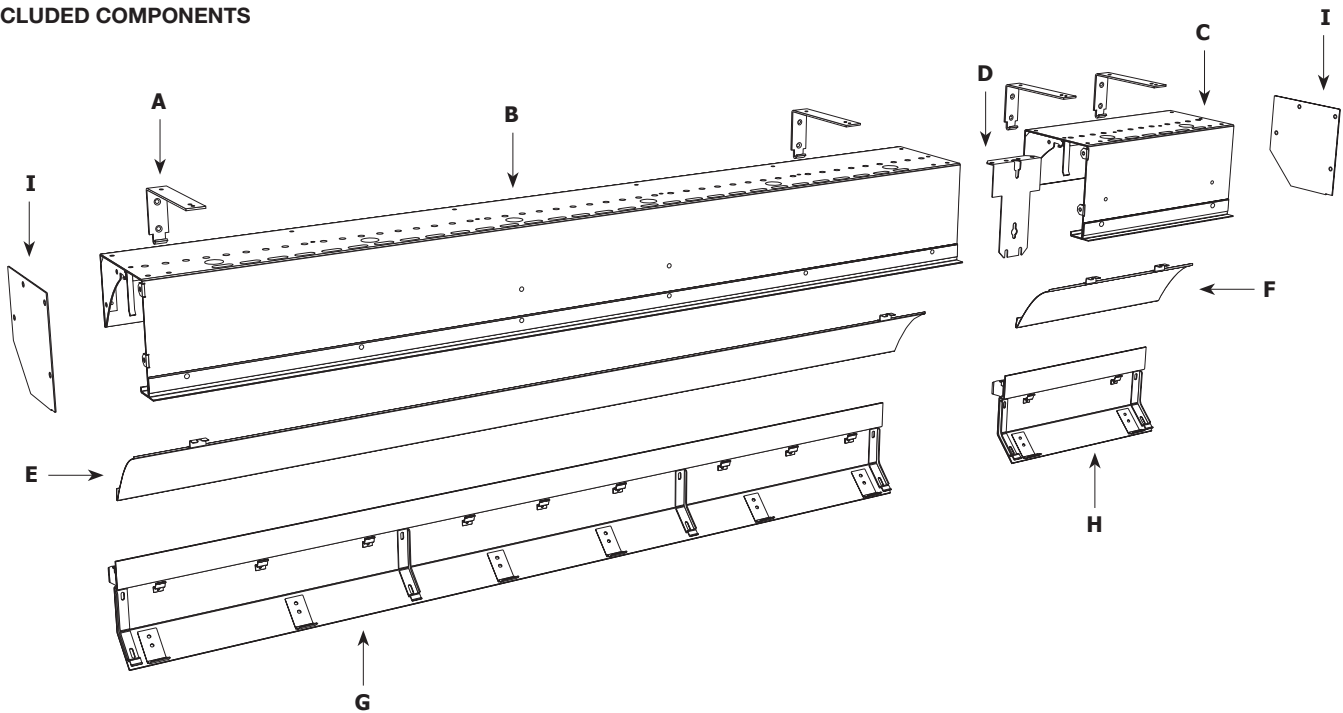

OUTDOOR UNDER AWNING 120V-277V STANDARD POWER SUPPLY
